

## 6.razred G

This is **A FOX**. It's a wild animal. It lives from 2 to 5 years in a forest. It's got four legs, brown, white and orange fur, a long hairy tail. It's got big ears, a long snout (smrček) and eyes with which it can see very well. It hunts at night and runs fast (70km/hour). It eats small animals, such as lizards, rats, mice, rabbits

or chickens. And also birds, fruit and bugs or fish. Normally it's got 2 – 7 babies.
